Subject: Gun bills

I fully do not support the upcoming bills sb-16 and hb-5416 these are more infringements on my constitutional rights which there are more than enough already, i fully support bills- sb-398, hb5415, hb5412, Legal gun owners do not need any more restrictions,, We went through the process of obtaining our permits , fully vetted by the state,,how about you prosecute people more harshly who Commit crimes with guns, that do not have a Connecticut carry permit, if the punishment was more severe people would think twice about committing crimes with guns, not one of these bills mentions anything about the criminals being punished more just the legal gun owners will be punished with restrictions, this makes zero sense, Since you represent me where can I find the statistics on gun crimes of legally permitted gun owners versus un permitted gun owners?? Do you even have the statistics anywhere?

1 John 3:23 NCV

[23] This is what God commands: that we believe in his Son, Jesus Christ, and that we love each other, just as he commanded.
